Thugs, The Musical vs Hollywood Shuffle

Franco | 30, April 2012 | Film | No Comments

In a mockumentary short film by Kevin Avery, "Thugs, The Musical" aims to prove to Hollywood that Michael Gardner (Kevin Avery) can "act black". In 1987 Robert Townsend premiered his film "Hollywood Shuffle", which was based on the same issue. Do you think "Thugs, The Musical" is a characterization of the film industry today, as "Hollywood Shuffle" was in 1987?
